

# Indicator of Behavior (IOB) Working Group

Introductions, Information, Code of Conduct

June 2022

# Welcome

- The IOB WG is comprised of global like-minded cybersecurity vendors, end users, thought leaders and individuals who are interested in creating a standardized approach for representing cyber threat actor behaviors in a shareable format to augment the world's capability in detecting and responding to cyber threats in a broader capacity than what is currently possible with Indicators of Compromise.
- There is no cost to join this working group and all are welcome
  - Join our slack channel (#iob-wg):

# Code of Conduct

Examples of behavior that contributes to creating a positive environment include:

- Using welcoming and inclusive language
- Being respectful of differing viewpoints and experiences
- Gracefully accepting constructive criticism
- Focusing on what is best for the community
- Showing empathy towards other community members

Examples of unacceptable behavior by participants include:

- The use of sexualized language or imagery and unwelcome sexual attention or advances
- Trolling, insulting/derogatory comments, and personal or political attacks
- Public or private harassment
- Publishing others' private information, such as a physical or electronic address, without explicit permission
- Other conduct which could reasonably be considered inappropriate in a professional setting

In the interest of fostering an open and welcoming environment, we as contributors and maintainers pledge to making participation in our project and our community a harassment-free experience for everyone, regardless of age, body size, disability, ethnicity, sex characteristics, gender identity and expression, level of experience, education, socio-economic status, nationality, personal appearance, race, religion, or sexual identity and orientation.
